PREZENTARE

Despre ZOG

Fabrica de ferestre a fost inaugurată în anul 2004 și este dotată astăzi cu utilaje de ultimă generație cu ajutorul cărora realizăm ferestre și uși termopan din pvc, aluminiu și lemn la standarde internaționale, sticlă termoizolantă și paneluri ornamentale, obloane, jaluzele exterioare, uși sectionale etc.

Cu peste 10 ani experiență în piață, am devenit unul dintre cei mai cunoscuți și apreciați producători de paneluri ornamentale din nordul țării. Experiența ne permite să fim eficienți, rapizi și mult mai ieftini. Pe lângă aceste aspecte, vechimea noastră pe piață demonstrează că garanția oferită produselor noastre este reală.

Alegerea produselor noastre vă asigură confortul și siguranța căminului dvs.
